

Math Resources

Here is the link to the website that has all of the free lessons we introduced in our workshop today.

<http://mathalicious.com/>

Here is a fun math website that has simple, no prep math activities for students of all ages. Also, you can find a list of bedtime math books.

<http://bedtimemath.org/>

Here you can find math lessons for grades Kindergarten through 8th grade. You can also find math lessons for Algebra and Geometry. The website is free, and you can also subscribe for weekly updates.

<http://robertkaplinsky.com/>

Here is a website with a variety of math videos, Kindergarten through 8th grade. All videos have examples and practice problems to follow.

Other fun and engaging math websites:
